

## Absence Choice Board

Please have your child read a book of their choice daily.

Please use the choice board below. Your child can choose to complete:

- 4 corners
- All of one row or column
- All squares

Have fun completing these activities!

<p><b>Tumble Books</b> Login to Tumble Books. Listen to a story (or two!) Username: bowers41 Password: reads <a href="http://www.tumblebooklibrary.com">www.tumblebooklibrary.com</a></p>	<p><b>Listen to a Story</b> Pick a story from home and ask a family member to read it to you! Your job is to retell the story to that person.</p>	<p><b>Write a Story</b> You are the author of your own story! Remember that a story needs a beginning, middle and end. Share your story with your family! You can also draw pictures instead of writing.</p>	<p><b>Teach Your Monster to Read</b> Log in to your account and explore letters and sounds. <a href="https://www.teachyourmonsterstoread.com">https://www.teachyourmonsterstoread.com</a></p>
<p><b>Sight Words</b> Practice your sight words! See if you can find some of your sight words in a book!</p>	<p><b>Body Spelling</b> Spell your name by making your body the shape of the letters! Can you make the letters of other family members names?</p>	<p><b>Respond to a story</b> After listening to or reading a story, draw 3 pictures to represent the beginning, middle and end of the story.</p>	<p><b>Raz-Kids</b> Log in to your Raz-Kids account. Listen to a story and answer the questions! <a href="https://www.kidsaz.com/main/Login">https://www.kidsaz.com/main/Login</a></p>
<p><b>Addition War</b> Remove all face cards from a deck of cards. Play war with your partner! To play: Each player turns 2 cards over, add the cards together. The person with the highest sum keeps all 4 cards!</p>	<p><b>Starfall</b> Go on Starfall and explore the website. <a href="https://www.starfall.com/h/">https://www.starfall.com/h/</a></p>	<p><b>Estimate</b> Estimate (guess) how many activities (ie. jumping jacks, hopping, etc) you can do in 1 minute. Time yourself and complete the activity. Compare if you did more or less! Challenge yourself to a few rounds!</p>	<p><b>Game Time</b> Pick a game or activity from the RVS Numeracy website! Click on the link here: <a href="http://schoolblogs.rockyview.ab.ca/makingnumeracyvisible/numeracy-at-home/">http://schoolblogs.rockyview.ab.ca/makingnumeracyvisible/numeracy-at-home/</a></p>
<p><b>Counting Up &amp; Down</b> Practice counting forward by 1 to 100 and backwards from 20!</p>	<p><b>Patterns</b> Create different patterns with a variety of materials around your house. (eg. lego, blocks, beads, pasta, lids, drawing)</p>	<p><b>Prodigy</b> Log in to Prodigy and play some math games. <a href="https://sso.prodigygame.com/game/login?rid=541bc023-3356-4852-a15a-d8566b85c8bb">https://sso.prodigygame.com/game/login?rid=541bc023-3356-4852-a15a-d8566b85c8bb</a></p>	<p><b>Skip Counting</b> Can you: Skip count by 2 to 20? Skip count by 5 forward and backward by to 100? Skip count forward and backward by 10 to 100?</p>
